## Science and Team Building Day Programs

For hands on science, team building and outdoor encounters with wildlife, bring your students to the Battle Creek Outdoor Education Center. We offer fun activities that engage students and support Michigan Department of Education Grade Level Content Standards.

Investigate our pond by searching for macroinvertebrates and then look for microscopic life in our pond lab.

Group Building Activities develop Communication, Cooperation, Trust, Decision Making, Encouragement, Leadership, and Planning.

High Ropes Course and Climbing Tower offer additional challenges for spring 5<sup>th</sup> graders and up.

Carry these skills back to your classroom.

**Fees** (per student and parents. Teachers and para pros are free)

\$16 Full Day. 2 full activity blocks. Choose science, outdoor pursuits and group building activities that best fit your needs.

\$25 Full Day with ROVs and another activity block.

\$30 Full Day Program with High Ropes Course or Climbing Tower and another activity block.

\$36 Full Day Program with ROVs and High Ropes Course or Climbing Tower.

Hot Lunch \$7 (Or groups may bring bag lunches.)

Become an engineer! Students build their own Remote Operated Vehicles (ROVs) and test drive them in Clear Lake.

For openings, contact Matthew Santner, OEC Events Coordinator at [oecevents@battle-creek.k12.mi.us](mailto:oecevents@battle-creek.k12.mi.us) or (269) 721-8161.
